re-enter the United State once again. Additionally, the Government noted that the defendant has an extensive criminal history and is a convicted felon.

The defense stipulated to detention.

FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

- (1) The defendant represents a risk of nonappearance due to the following:
He is a citizen and national of Mexico who has previously been deported; his ties to the Western District of Washington are unknown; he has a history of failing to appear for court hearings; he has two active warrants for his arrest; and BICE has filed a detainer.
- (2) The defendant represents a risk of danger due to his extensive criminal history and unknown background.
- (3) The defendant does not contest detention.

Thus, there is no condition or combination of conditions that would reasonably assure future court appearances.

It is therefore ORDERED:

- (2) Defendant shall be afforded reasonable opportunity for private consultation with counsel;
- (3) On order of a court of the United States or on request of an attorney for the Government, the person in charge of the correctional facility in which Defendant is confined shall deliver the defendant to a United States Marshal for the purpose of an appearance in connection with a court proceeding; and
